

AN OUTSTANDING AND ECO-RESPONSIBLE DAY AT THE BEACH IN 5 STEPS

To fully enjoy an eco-responsible day on the wonderful beaches of the west of the island, I agree to...

This charter was produced jointly by the BTS Tourisme de Plateau Caillou, the Réunion Marine Nature Reserve and the West Tourist Office.

1

RESPECT THE ENVIRONMENT

IN THE SEA :

- I do not disturb the fish and I do not arm their homes
- I use non-polluting sunscreens
- I respect the coral reef

ON THE BEACH :

- I do not walk on the vegetation
- I don't bring corals back home
- I do not collect sand

2

KEEP THE SITE CLEAN

- I do not throw my waste on the beach or in the water
- I put my waste and/or those of my animals in the dedicated spaces, or I take them home
- I leave the toilets clean

3

RESPECT THE SAFETY INSTRUCTIONS

- I respect the instructions of the lifeguards and eco-guardians
- I stay in the swimming area

4

RESPECT THE OTHERS

- I listen to music at a decent volume
- I do not talk loudly and I don't shout
- I respect the personal space of other beach users

5

TAKE CARE OF MYSELF

- I drink a lot of water
- I don't expose myself during the hottest hours
- I protect myself from the sun (non-polluting sunscreen, parasol, lycra)
